

Children have been rehearsing their Christmas songs with our music specialist. It always fills me with great joy to hear children singing and they are not disappointing me this year. They sound beautiful.

### **Winter Warm**

Please ensure that your child comes to school with a warm coat or jacket. We will be reminding them all to put them on before going outside to play.

### **Parents Evening**

Thank you to all parents and carers who attended their meeting with class teachers. We will be contacting parents who did not attend in order to arrange to meet with you. It is so important for you to know about your child's progress and how you can support them.

### **Flu vaccinations**

Flu vaccines will be administered at school on Tuesday 30th November. Please ensure that you read the flu vaccination letter carefully and follow the instructions around giving your consent.

### **Maths**

This week as part of our ongoing work with the South West London Maths Hub, we conducted a learning walk and were pleased with the quality of maths teaching and learning across the school. Bond Primary will be hosting teacher professional development events in the future with teachers from our school sharing good practice with other practitioners.

### **Sporting Prowess**

Bond has participated in a couple of Merton wide school tournaments and they have been absolute stars in

## **BOND PRIMARY SCHOOL**

the different ways that we can show kindness towards one another. On Odd Sock Day lots of us wore odd socks, including the teachers! We also read the book 'Simon Sock' by Sue Hendra & Paul Linnet.

We had a go at designing our own odd socks!

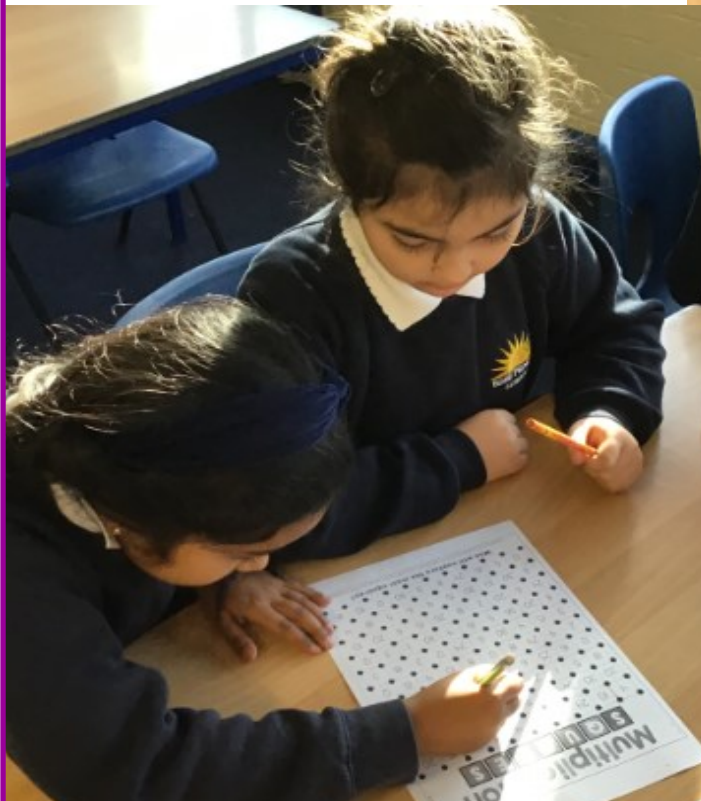

As part of our PSHE, we all worked together to create a 'Worry Box'. We listened to the story 'Robbie's Worms'. We then talked about the different

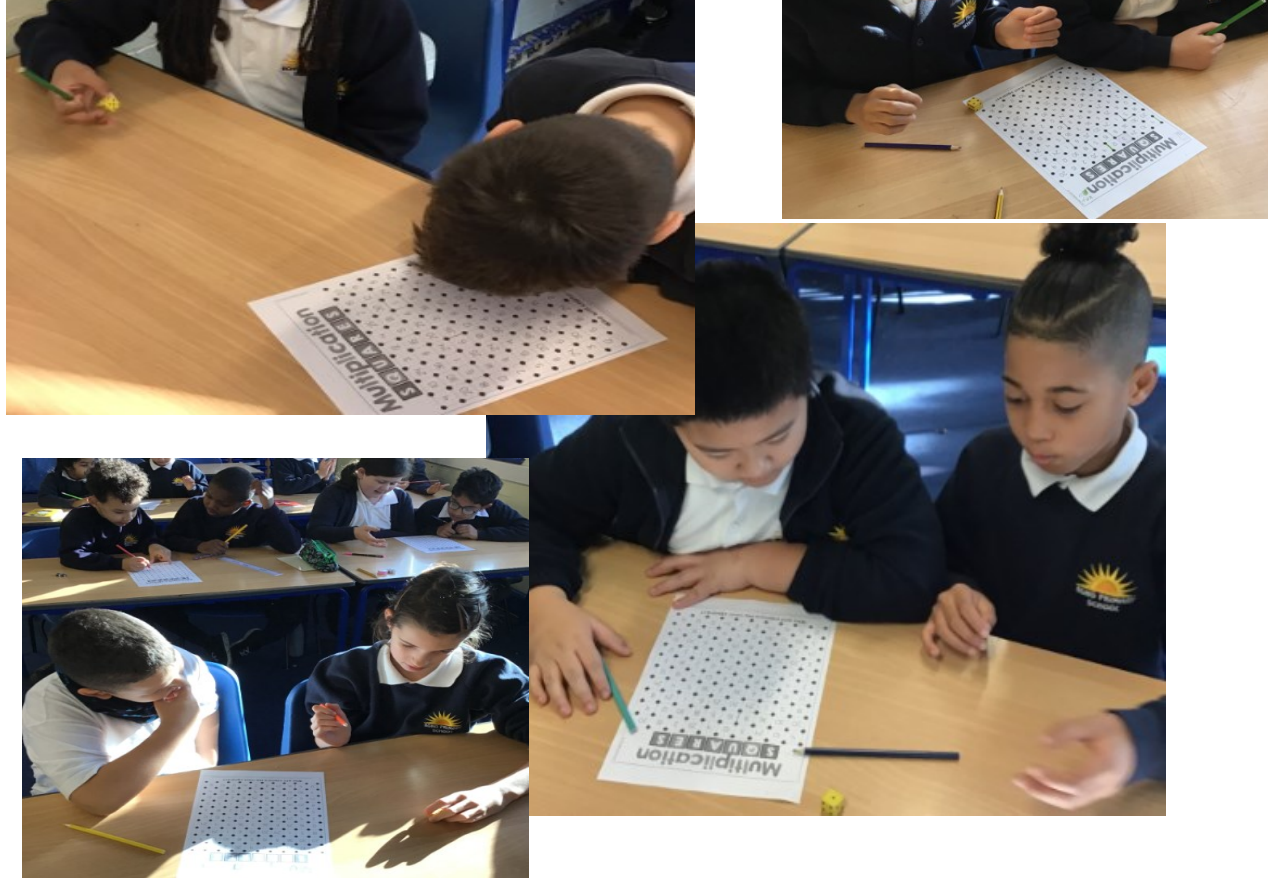

On Monday Poppy Class went to St Paul's Cathedral for our topic - The Great Fire of London! We explored all around the Cathedral and even found some artefacts that survived The Great Fire of London. We were lucky enough to climb 528 steps all the way to the top of the Dome where we could see The Shard, The Tower of London, London Bridge, Tower Bridge and even Pudding Lane (where the fire started).

In Rose Class, we have been engrossed in learning our times tables in a fun yet challenging way. We have thoroughly enjoyed this game. Here's what they had to say:

"I really like it. It is kind of like a race, to see who gets the most blocks. It's also challenging because you need to know your times tables." - Marta

"It is a fun game and it helps you with your times tables." - Damari

"I like it because it includes times tables. It is really nice because we can learn our times tables and have a really fun game." - Kisona

"The game is really helpful for learning times tables. It is a fun way to learn."
