

Headteacher message

It's the end of term already! A huge thank you to my staff for all of their hard work and to you ,our parents/carers ,who have worked in partnership with us.

Our children have completed a round of assessments and there is much to celebrate. I hope that you were all pleased to hear about the progress your children are making during your meetings with class teachers. If for any reason you were unable to meet with your child's class teacher, ensure that you do make meeting arrangements as soon as possible.

End of school day collection

School finishes at 3:15pm and most children are collected at this time. However, we are having groups of children who are collected late at the end of the school day. We do not offer after-school care and staff are deployed to undertake other school related tasks . We are having to delay these tasks in order to supervise late children. **Please ensure that you have made adequate arrangements for your child to be collected at 3:15pm.**

May I take this opportunity to wish you all a safe and lovely holiday.

Easter Eggs

Key stage 1 had their Easter Bonnet parade today. It was a spectacular event with some amazing creations. Every year we give Easter egg prizes to our children and we would like to say thank you to our Local Lidl for donating Easter eggs. Chocolate delights for all!
