

Headteacher message

The next few weeks will be very busy. I hope you have all remembered our carnival event on the afternoon of Friday 1st which will be followed by our international food fest in our hall. During the week commencing Monday 11th July, each class will be performing an End of Year Celebration assembly to parents/carers. A timetable for the week is included in this newsletter.

London Road Gate entrance

I know that for many of you the closure of the entrance on London Road has caused some inconvenience and added time to your journey to school. The hopper on the adjoining building has come loose and could cause a serious injury if it was to fall on a child or adult using the path. We have liaised with the relevant parties to remedy this to allow us to reopen the entrance. We had hoped that they would have addressed this before next week but this has not happened. As soon as it is safe, we will reopen the London road entrance and inform you via text message.

Online Safety

A reminder that Ms Riley will be running an Online Safety workshop just for parents/carers to help you to understand what your children are able to access and the safeguards you can put in place to protect them whilst they are online. The session will take place online via google classroom on Monday 27th June at 4pm. Please put this date in your diaries and do your utmost to attend. The link for the meeting: <https://meet.google.com/axf-styp-gst>

Dates for diary

Tuesday 21st June

World Music Day

Wednesday 22nd June

Reception height and Weight measurement

Year 2 Polka Theatre Trip

Friday 24th June

Year 4 Polka Theatre Trip

Monday 27th June

Online Safety Parent/Carer workshop

Year 3 Sports day at Kings College

Join us for a friendly and interactive session for top tips on how to look after teeth.

End of Year Celebration Assemblies

Time	Monday 11th July	Tuesday 12th July	Wednesday 13th July	Thursday 14th July	Friday 15th July
9:00- 9:30	AM nursery	Iris	Poppy	Reception	Carnation
10:00-10:30		Jasmine	Dahlia		Rose
1:30- 2:00	Year 6	Waterlily	Protea		
2:30-3:00		Hibiscus	Lotus	PM Nursery	

Key Stage 1

We had a special visitor on Tuesday who did a samba rhythm workshop using our body percussion. We all thoroughly enjoyed the sessions and learnt some amazing rhythms.

Also, in Year 2, we have been talking about how littering is bad for our oceans. We have started to write stories based on Alba the 100 Year Old Fish about our own sea creature character who is affected by pollution in the sea. We have also been starting an anti-littering campaign by making posters which you will start to see around the school very shortly!

Key Stage 1

Butterflies fruit salad!

It has been so hot this week! As a special treat, and to help cool us down, we made frozen fruit salad! We tasted lots of different frozen fruits, including pineapple, strawberry, raspberry and mango. We explored and tasted the fruits and some of us pulled some very funny faces when eating the cold fruit! Then, we chose our favourite fruits and made a fruit salad, which helped to cool us down.

Key Stage 2

Entrance Monitors—Bond Bouncers

We have recruited 8 year 6 entrance monitors whose role is to make sure that children only enter the building during playtimes and lunchtimes if they have been given a pass by an adult. This has been in place for approximately one week and is working well. The Bond Bouncers', as I call them, have taken a very mature and responsible approach to their new roles.

Every Friday the team will meet with me to provide a summary of the week and let me know about any concerns they have- we had our first meeting this week and they identified actions that we need to take forward. Well done team!

Year 3

Year 3, Hibiscus class, dissected flowers this week. They learnt that flowers have both male and female parts. Also, the sepal, (the green leaf under the flower), when found on a fruit, is called a calyx.

Key Stage 2

KS2 Trip to Pizza Express!

This week a selection of children across KS2 were lucky enough to go to Pizza Express in Valley Park! First we learnt how to make Pizza dough, then we learnt about the different ingredients needed to make a pizza. Then, we squashed the pizza dough into the baking tin, covered it into tomato sauce and cheese, then cooked it in the oven. Then we had a picnic in the park and ate our pizzas in the sunshine!
