

our children it has been a disruptive period.

Despite this, I have been astounded by the children's resilience and continued efforts to do their best. I have been particularly impressed by the quality of the children's writing this term—they are showing real flare and developing their own authorial voice to create beautiful pieces of written work.

This morning our EYFS and KS1 children took part in their Easter Bonnet Parade . We have not been able to do this for a couple of years and we could not contain our excitement. The standard of Easter bonnets was very impressive this year. The children danced confidently with their bonnets to impress our highly esteemed judges . Fantastic fun!

Year 6

The year 6 children will have their final term at Bond Primary School. They will also be taking their SATS tests. For some children , this will be an anxious time. We will work with the children to alleviate this and would ask that you do the same. We want the children to approach their SATS as an opportunity to show off and adopt a 'can do' attitude . Children cannot perform at their best if they feel under immense pressure and stress. They are all winners and we must do all we can to make them feel this way.

Farewell

We said farewell to the following staff members today:

Mrs Bremner—who has been a member of the Bond family since 2009. Mrs Bremner has committed so much to the children of Bond that she now wants to spend more time with her lovely children. Well deserved!

Mr Wallace—who has been with us for a short time but will be moving to pastures new and enjoying family time.
