

Headteacher message

We have almost come to the end of the academic year. This has been a year of many challenges and a true test of our grit and resilience. As a school community we have done incredibly well.

Please check you child's class dojo for a letter regarding Covid restrictions. We are maintaining the protective measures we have in place to ensure that we are **all** able to have a positive start to the summer holiday without having to self isolate.

Please continue to support our efforts.

During the last year, Covid-19 has impacted everyone in many different ways and has given us pause for thought. As a result, the way we have looked at our own lives and what is important to us has changed resulting in life changing decisions being made. In light of this, we will be saying farewell to some well loved and respected members of our team.

The following staff will be leaving us at the end of this year: Mrs Hindle, Miss Khan, Mrs Thomas, Miss Millar, Mrs Richards, Ms Patterson, Mr Ryan, Miss Diez, Mr Srilangarajah and Mr Berry. I would like to take this opportunity to thank each and every one of them for their commitment and dedication to this school. You have all touched so many children's lives and I hope that your next chapter will bring you all great joy and success.

Sports Week

Year 5

This week year 5 took part in the whole school sports week. They really enjoyed playing American football; running the daily mile and learning new dance moves. Children also got to learn what it is to be a good sports person, through team building games such as the leaky pipe activity, where some of them had to get really wet, before learning how to work as a team. We rounded of the week with a fun day, where children were able to enjoy time on the inflatable equipment. A fantastic week was had by all. Thank you to Mrs Pearce for a wonderful week.
