

Headteacher message

I am pleased to be able to report that we have not had any further positive Covid 19 cases in our school. However, cases are increasing across the Merton borough. Please continue to take care and follow social distancing, handwashing and face mask wearing guidance.

Assessments

Children in Key Stages 1 and 2 have had assessments over the past two weeks. Their approach to these has been very positive with many relishing the opportunity to show the progress they have made. They have all worked incredibly hard. Teachers will use the test assessments and the children's work to arrive at an overall assessment for each child. Targets will be set and these will be shared with you in your child's end of year report.

Broadening Horizons

Unfortunately due to receiving a very low number of possible contributors willing to speak to our children about their job role/career, we will have to postpone this until the Autumn term. This is a great shame. It is really important that we broaden our children's horizons and provide them with opportunities to be inspired by others. I hope when we relaunch in Autumn, we will receive a higher number of participants.

Thank you to those who have expressed an interest in our Breakfast and Afterschool club provision. We will be able to provide you with an update regarding this in the very near future.

Covid tests

If your child presents with any Covid 19 symptoms, they must not come to school until you have received a negative PCR test result. In addition if a member of your household presents with any Covid 19 symptoms, please keep your child at home until you have received a negative test result.

Dates for diary

Week commencing 12th July

Sports week

Friday 16th July

End of year reports to parents

Week commencing 19th July

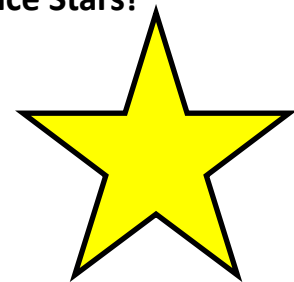

End of year celebration assemblies

Thursday 22nd July

Last day of term—

School closes at 2pm

Attendance Stars!

Well done to the following classes for their attendance last week.

Carnation—99.6%

Poppy— 98.5%%

Whole School

95.3%

Our whole school target is 96%
