

Headteacher message

We have had a great Anti -Bullying week. Children have been learning about what bullying is and what they can do if they or someone else experiences bullying behaviour. They really enjoyed all of the activities. Thank you for supporting our Odd Socks and 'This is me' day.

Online safety

With little opportunity for children to spend time with friends and family outside of school, we have noticed that children are spending an increasing amount of time online. The internet can provide wonderful learning and recreational activities that are completely safe but we must not forget that it can also expose our children to unwanted topics and language. Please ensure that you are supervising your child's use of the internet and monitoring their activity on any social media platforms they are using.

Christmas Lunches

You should have all received your letters about booking your child's Christmas lunch. Please ensure that you complete the slip and return it to school.

Keeping Covid-19 away

To date we have no confirmed cases of Covid-19. A credit to the efforts that we are making to ensure that we do our utmost to keep our school community safe. Well done to you all!

Attendance

Whole school 97.5%

We have exceeded our target this week!!!!

Well done to everyone!

Group	% Attend
Year R	96.9
Year 1	99.0
Year 2	96.2
Year 3	99.3
Year 4	98.1
Year 5	96.4
Year 6	96.5
Totals	97.5

Inter House Competitions Results

Well done to all year groups for participating in the PE Inter-house competitions this week in PE ,all classes where put into either Red, Yellow, Green or Blue teams and had to complete either shooting collecting or basketball challenges. It was great to see such fantastic Team Work and Sportsmanship from everyone.

The final results are as follows:

Blue Team: 1st Place

Red Team: 2nd Place

Green Team: Joint 3rd Place

Yellow Team: Joint 3rd Place

Special mentions to Tevin for great sportsmanship, considering others and including all his team. And fantastic shooting skills from Raiiline, Fauzan, and Neidas. Cannot wait to do the next round of PE House Competitions. Such a great effort from everyone.

Mrs Pearce.

Chilly Days

Please ensure your child is wearing additional layers i.e. undergarments or sweaters/jumpers/cardigans to school. Windows will remain open in classrooms to support air circulation and ventilation. Although the radiators will be on, this will of course not mitigate cold air entering the classroom and children feeling a noticeable chill in the air.

Safe in the Dark

Your child needs to be wearing high visibility reflective strips on their outdoor jackets , school bags, scooters, bikes and helmets. Motorists and other road users need to see our children to keep them safe.

Children should be regularly accessing Times Tables Rockstars. This app provides the children with a fun and engaging way to learn and recall multiplication fact: multiplication underpins so much of the maths learning that children will be learning as they move up through the school and beyond. Having a good understanding of multiplication and being able to recall key facts will support their success in maths.
