

## Headteacher message

We said farewell to a group of year 6 today as they embarked on their adventure weekend to PGL Marchant's Hill. They could barely contain their excitement. Some of them had packed for a full week! They arrived safely this afternoon. I am sure that they will all have a great time and confront fears this weekend. Looking forward to hearing their stories and being kept up to date via Class Dojo.

## Photos as proof of illness

Please refrain from sending photos via email of your children when they are unwell as proof of reason for absence. A medical note or prescription would suffice.

## Year 2

Our year 2 children have been fantastic this week. They have been undertaking tests in small groups and have coped incredibly well. They have also enjoyed their outdoor learning in our Edible Garden. In fact today, they found a frog which they took to EYFS to share with the children. However, not everyone was quite so chuffed to see our friendly frog!

## Year 3 Swimming

Hibiscus have been attending swimming this week. For many children, it is the first time that they have been in a swimming pool; they have overcome their fears and are now having the times of their lives! The progress that they have made in such a short period of time has been astounding. There have been two children who have also moved over into the bigger pool. Well done!

## Dates for diary

### Class assemblies

Class	Date
Dahlia	Wednesday 26th April
Hibiscus	Wednesday 21st June
Year 1	Wednesday 14th June
Butterflies	Wednesday 28th June

### Friday 19th May—Sunday 21st May

#### Year 6 PGL residential

### Thursday 25th May

#### Class photographs

### Monday 29th May—Friday 2nd June

**Wednesday 7th  
June**

**17:00 - 19:00PM**

**Online**

**Online registration**

# Year 4

Year 4 had been waiting a long time to have their own Holi celebration out on the field on Wednesday. The weather was finally perfect to celebrate this festival of colour, which signifies saying goodbye to the dull colours of Winter and hello to the bright colours of Spring and Summer. We used special Holi Festival powder and waited for a signal to throw it into the air!

As you can see, we were covered in powder but we had great fun!
