

Headteacher message

We have thoroughly enjoyed our sports week. The children have had the opportunity to engage in a range of sporting activities. However, the heavens opened today and we had to halt our planned outside water activities scheduled for the day which was a great shame. Thank you to parents/carers who cheered on our children and also had a race themselves which no doubt some of you may still be recovering from.

I hope you also enjoyed the class celebration assemblies that have taken place this week. The children delight in sharing their learning and singing voices at the end of the year. They make us all feel incredibly proud.

You will be receiving your child's end of year report on Monday as well as notification of your child's new class for the coming year.

Class parties will be taking place on Wednesday afternoon. We ask parents/carers to bring a food or drink contribution for the children to enjoy. Please do not provide fizzy drinks, items in glass containers/bottles and ensure all items remain in their original packaging. We ask that you remember that we are a nut allergy aware school and to not bring in items containing nuts.

Year 6 will be performing their end of year production on Monday 17th July. From the cheers I have heard in the dress rehearsal this afternoon, you are in for quite a performance. I have been banned from watching until Monday—not fair! An additional performance has been added and there is a slightly later start to the afternoon performance—please see dates in diary section.

A gentle reminder to return any reading/library books to school.

Supporting children with transition and milestones

If you would like advice on how best to support your child please see the link below:
