

Headteacher message

Our final newsletter for this academic year! It has been an exciting and eventful year for us all. I would like to take this opportunity to thank you all for working with and supporting us throughout the year. Our children have worked hard and as always, have shown such resilience.

Year 6 pupils 2022-2023 have said their final goodbyes today. It was very emotional but also joyous. A new start brings anxiety and also apprehension about the future. We are confident that all of our year 6 children will have a great start to their secondary journey and we wish them the very best.

We would like to thank you all for your cards and flowers of gratitude—it means a lot to our team who do not expect anything in return for the joy of working with your children.

Please check my previous newsletters for summer activities available and information about places to eat for free.

May I take this opportunity to wish you all a safe and lovely summer holiday.

GOOD BYE YR6

My Poem:

What can I say

I have always dreaded that day

The day we finished school

The same day I cried like a fool

I am not gonna lie

It has always been hard to say goodbye

But it is time to turn the page

And to climb out of our comfortable cage

This is not where our life ends

Infact it is actually where it begins

Things are going to change

And at first it might feel strange

But that is how we will grow

We cannot keep going with the flow

So I just wanted to say always keep your head up high and don't cry. This is not our last goodbye. -Kasey
