

## Headteacher message

Our Celebration Assembly focus this week was learning in science. Our children expressed very clearly why science is important in our modern world linking it to climate change, people who help us such as those in the medical professions and engineering; children expressed wanting to work in these fields. It was a great pleasure to recognise and celebrate their efforts. Well done to all children who received an award.

### Wraparound Provision and After School Clubs

We are looking forward to September and considering offering wraparound (breakfast and after school care). As some of you may remember, we provided a wraparound service for a number of years however the numbers fell significantly and it was no longer viable for us to offer the service. We appreciate that since then the landscape and context in which we live in has changed. We are exploring options and possible partnerships for delivery. **We need you to let us know if this is a service you will need. Please copy and paste the link below to complete a short survey . It would be helpful for us to have your responses by Friday 14th June to begin planning.**

### Online Safety

The number of incidents we are dealing with involving children's behaviour online or access to inappropriate content at home is increasing. It is a worrying trend. Children are very savvy when it comes to navigating their way around the online world and it can be quite daunting for us as adults to keep one step ahead of them. We are aware that some children are using platforms such as Snapchat in order to hide their conduct online. **We want to help you to put the necessary safeguards in place .**

We are holding a coffee morning event to give you tips and advice to help you to keep your child safe.

We will help you to keep one step ahead!

**Monday 10th June @9am in the main hall**

### Dates for diary

Monday 27th May—Friday 31st May

School Closed Half term

Monday 3rd June

School closed - Inset Day

Tuesday 4th June

School reopens for children

Year 2 trip to the Natural History Museum

Friday 21st June

Bond Carnival and International Food Fest

Monday 10th June

9am Coffee morning—Tips and advice to keep your child safe online?

Thursday 4th July

School closed—Polling day

Week commencing Monday 8th July

Sports week

Friday 12th July- Sunday 14th July

Year 6 Residential PGL Marchants Hill

Week Commencing 15th July

Class End of Year Assemblies

# We NEED cardboard

Dear Parents / Carers and Children

This year's carnival projects are based on D&T outcomes and we'll be needing lots of cardboard to make our end products, across the school.

We are seeking your help! Please start to bring any cardboard boxes to school. Flatten the boxes for ease of storage and carrying.

Please only send clean boxes to school (no cereal boxes, please as these will be too small and too flimsy to use).

Thanking you in advance for your continued support!  
Miss Williams
