

Headteacher message

Please ensure that children do not ride their bikes or scooters whilst on the school grounds. It's great to see so many children riding to school however we have to ensure everyone's safety particularly at the beginning and end of the school day where footfall is at its greatest.

Children's Mental Health week

Children's Mental Health week starts 5th February and the theme this year is 'My Voice Matters'. Children will be engaged in lots of discussion about mental well being culminating in a mufti day on Friday where children are invited to bring a £1 donation and dress to express themselves. All monies raised will go to the Children's Mental Health charity.

Year 6 assessments

Year 6 children will be undertaking mock SATs tests during the week commencing 5th February. This gives us an opportunity to measure your child's progress and identify any further learning to inform our next steps. It is important that all children are at school everyday to access these tests. We want to do our utmost to alleviate anxiety around SATs, exposing the children to SATs type questions and also SATs test conditions will help them to approach the SATS tests in May in a positive way.

Dates for diary

Monday 5th—Friday 9th February

Mental Health Awareness week

Thursday 8th February

Year 6 trip to The London Clink Museum

Friday 9th February

Dress to express yourself day

Friday 22nd March

Circus skills workshops

Wednesday 27th March

Easter Parade (EYFS –Year 3)

Thursday 28th March 2024

Last day of term

School closes at 1:30pm

Attendance Stars

Classes with the highest attendance week commencing :29th January

KS1— Jasmine 99%

KS2—Waterlily 98.2%

Whole School Attendance—92.5%

Our attendance is dropping which means that our children are missing chunks of their learning. There is a direct correlation between poor attendance and poor attainment which can hinder your child's future progress and attainment. Please ensure your child is attending school regularly.

Looking After Our Environment

Today a number of children chose to take action in looking after our school environment. Our Key Stage 2 playground is often a blanket of leaves from nearby trees. At times this can be a hazard particularly when wet. As well as this we are also prone to falling twigs. The children decided it was time to take action and took the time out of their playtime to clear the leave asnd twigs so that they could enjoy their playground space.

ART

At King's College, some year 4 students from Protea and Lotus class are making the props for the production of The Time Traveller.

Here, we are creating futuristic petals and flowers. We are making them in vibrant colours.
