

## Headteacher message

A team consisting of year 5 and 6 children participated in a Merton Rounders Development Competition this week. They played with great skill and determination winning every match and coming first overall. Well done to our rounders team!!

We have a very busy couple of weeks leading up to the end of the term and this academic year. Please check your child's class dojo page to keep up to date.

A polite reminder: requests for term time leave in the lead up to the summer holiday will not be authorised and may result in penalty notices.

### Chicken Pox

We have had a rise in the number of cases of chicken pox across the school. If your child has chicken pox, s/he should not return to school for at least 5 days from the onset of the rash and until all blisters have crusted over.

The following link contains important advice regarding chicken pox:

### Changes to End of Year Assemblies

Please check the table opposite—there have been some changes to the schedule. This is the final schedule.

### Attendance Stars

Classes with the highest attendance this week:

KS1— Dahlia—96.3%

KS2— Protea—97.4%

Whole School Attendance— 91.6%

**Our whole school target is 96%**

We're dipping again. Let's work hard to raise it next week.

# materials changing shape

Year 2 had lots of fun investigating how we can change the shape of certain materials in science.

We looked closely at the properties of **playdough** and came up with some ideas as a class.

We then went on to **bend, stretch, roll** and **squash** the playdough to create different shapes.

Some even made an **elephant** out of playdough!  
We also spoke about why metal or glass would not be suitable for this task.

# Join us for a Summer of Stormbreak® (SoS)!

**Calling families, parents, carers, children (under 11) this is for you!**

Support and boost children's mental health, emotional and physical wellbeing.

Take part in a **FREE** live online stormbreak every week. Our expert coaches will lead stormbreak activities, specially designed to get children moving and recognise their feelings.

**Sign up here >**

Kick start each week of the summer holidays by moving, talking and connecting with family and friends for a happy and healthy summer!

The **Summer of Stormbreak** will take place every **Tuesday, 9.30am - 9.50am**, throughout the summer holidays.

Each week will focus on a different theme:

<b>Tuesday 30 July</b>	Our important relationships	
<b>Tuesday 6 August</b>	Self care, taking care	
<b>Tuesday 13 August</b>	Resilient me	
<b>Tuesday 20 August</b>	Wonderful me	
<b>Tuesday 27 August</b>	Optimistic me	

Further resources and activities will be shared in each session, so you can carry on 'stormbreaking' together.
