

## Headteacher message

### Celebration Assemblies

Celebration assemblies are held every Friday morning at 9am. This is an opportunity to celebrate children's efforts in learning and behaviour. We would like to invite parents of children who are receiving awards each week. Your child's class teacher will contact you to let you know that your child will be receiving an award and invite you to attend the assembly. We hope that many of you will be able to attend.

### Bicycles and Scooters

Please ensure your children walk onto the school site with their scooters and bicycles. Children must not ride scooters or bicycles whilst on the school grounds. As many of you will know, we had a collision last year causing injury. We do not want this to happen again.

### School Dinners

Remember to book your child's school dinners online in advance using Parent Pay. Ordering the lunches in this way :

- Reduces the time it would normally take to collect dinner orders and results in more learning time for your children.
- Ensures that all children receive the meal they have requested

### Attendance

Classes with the highest attendance this week:

EYFS/KS1— Purple Butterflies—93.1%

KS2—Lotus— 94.6%%

Whole School Attendance— 92.3%

**Our whole school target is 96%**

# EYFS

The children have been exploring the activities and playing circle games to learn each other's names. They have been learning the class routines and are becoming familiar with the school environment. They also took part in their first PE session and met the PE coach. They also made their butterflies for the class display board.
