WHOLE SCHOOL HIGHLIGHTS

Dear Families,

I am going to start today's message with a huge congratulations to our Y6 children who have completed their SATS tests this week and shown such confidence and resilience. Thank you also to our families who have supported our children every step of the way. I am sure you will join me in breathing a huge sigh of relief that they are over; be assured though that the hard work continues sprinkled with some memorable experiences out of the classroom too.

REMINDER

EYFS

The week the children have been learning to make patterns. They used a range of materials to make a repeating pattern with 2 or more objects.

During Literacy the children spoke about the different types of transport. This week the children began to make an air balloon out of a balloon and coloured tissue paper. the children used their hands and spoke about the texture of the glue they used words such as, sticky, soft,

They used card to make a basket and drew patterns. Children will complete their air balloons next week.

Year 2 went on yet another incredible trip on Thursday. This time, we travelled to Trafalgar Square to visit the National Gallery in London. There, we took part in a workshop in which we sketched animals and volcanoes that were part of a huge painting that hung in the gallery. After, we carefully created sculptures of the objects we had sketched using tin foil and clay. Have a look at our creations!

A fab day was had by all, just look at our proud faces, and lots of learning took place!

CARNIVAL

This year's theme is Sustainability.

Join us to celebrate on Friday 27th June !

We invite you to come and see a showcase of children's work in Design, Technology and Art.

Our International Food Stall will be running and we would like as many donations of food to sell on this day. We are also hoping to attract local street food vendors for an after school event, do please let me know if his is something you or someone you know would be interested in.
