

## Headteacher message

I hope that those of you who were able to attend our End of Year Celebration assemblies and sports days enjoyed both events. Today the children have enjoyed jumping climbing and throwing themselves around on giant inflatables! Without the efforts of Mrs Pearce, our sports week days would not have been such a success. I am sure that you will all join me in extending our warm thanks to her for an energetic fun-filled sports week.

### Hot Weather

The forecast for next week is very hot weather particularly on Monday and Tuesday. As such, there will be a relaxation of uniform expectations and children will be able to wear their PE kits for the week. Please ensure that your children:

- Apply sun cream before school
- Bring a refillable water bottle
- Wear a sun hat or cap

If temperatures are as high as forecasts indicate, the children will remain in the shaded areas for part of their lunch break and spend the remainder of their break inside the building. PE lessons will take place inside.

### Class allocation

You should have all received a letter regarding the class allocations for next year. If you have any queries regarding this, please speak to your child's current class teacher. You may have noticed that Mr El-Aris does not appear in our staffing for next academic year, this is because he will be leaving us to teach abroad. Mr El-Aris is a fantastic teacher and this is such a great opportunity for him. We wish him the very best.

### Reading books

Please return all reading books

### Parent Pay

Any outstanding debts need to be cleared on Parent Pay before Thursday 21st July.
