

Headteacher message

I would like to say a huge thank you to all parents and carers who attended our Bond Carnival event last week. So many of you made considerable food donations and we cannot thank you enough. It was so lovely to welcome large groups of parents/carers back on to site to enjoy an event which was all about our wonderful children. I hope you were as amazed as we were at their impressive creations. With your generosity, we raised £584.73 which will go towards purchasing resources to support learning in our classrooms.

Online Safety

Unfortunately, we did not have high attendance at our Online Safety workshop for parents on Wednesday. This is a great shame. We will be putting some online safety information on our website and will roll this session out again in the new academic year. However in the meantime, I wanted to alert you to a game, Poppy Playtime's Huggy Wuggy, which can be found online. To my understanding, this is not targeted at children despite its content being toy based. It has since been hijacked by warped adult minds who have turned this into an even more terrifying character who says and suggests some very unpleasant things to children. Due to the nature of the name, some parental controls may not pick up that this character is not for children and therefore your child could potentially come across it whilst online. I really cannot emphasise enough the importance of supervising and monitoring your children's online activity.

Bond Carnival

Bond Carnival

Making LEMONADE for Carnival:

Miss Kate and a selected few children, made the delicious lemonade we had at the carnival.

The School Council asked for donations of lemons, lime and sugar.

They had to cut the lemon and lime in half safely, using sharp knives. And then, the squeezing and pressing began! They were delicious and so refreshing .

Bond Carnival

Glitter Bubble Butterflies!

The Glitter Bubble group have been lucky enough to be looking after 5 caterpillars! Our caterpillars have now wrapped themselves up in a chrysalis and will soon be butterflies! Today we explored what the butterflies might look like. We noticed that the butterflies wings are always identical and learnt about the word sym-

Half a cup
of orange

1 small cup
of mango
juice

1 small cup
of apple
juice

Drink up!

Butterflies have been
learning about capacity!
We measured all the
ingredients to make
carnival cocktails. They
were delicious!

Sports week

It is forecast to be extremely warm next week. It is important that all children bring a water bottle to school, are wearing a sun hat/cap and have applied sun cream before school. Children must wear PE kits everyday next week as there will be a range of sporting activities taking place.

Farewell

We will be saying a sad farewell to the following members of staff at the end of this year:

Miss Cook (SENDco)

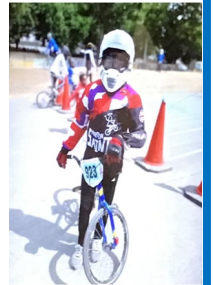

Mrs O'Doherty

Miss Clarke

All teachers have shown great commitment to the school for many years. Their decision to leave has been a difficult one for them all however they are going on to some wonderful things. I am sure that you will join us all in wishing them well in their future endeavours.

Last Sunday, Rio took place in the London Youth Games, competing in the sport of BMX riding. If you know Rio, you know he loves to ride and his passion for the sport has really paid off. Rio took part in a number of races and came second place. This is an amazing achievement and his Bond family are incredibly proud of him. Well done Rio, we look forward to seeing you at the 2028 Olympics!
